

**IBEW LOCAL 58's
100TH ANNIVERSARY LABOR HISTORY PROJECT**

LOCAL 58's CHARTER DATE: APRIL 13, 1914

The 100th birthday of an organization is a very special milestone in it's history. It only comes around once.

Two (2) years ago, the Labor History Committee started collecting photos, documents, recording oral histories, and putting out the call for any memorabilia that may reside in your attic or photo albums. (Regrettably, the Local Union has very little documentation prior to the late 1940's.)

In order to create an accurate history, we need your help! There is always a need for volunteers. Photography and computer skills are useful, as is framing, making displays, organizing files, and doing additional historical research.

The Labor History Project is only one part of Local 58's 100th birthday. As we draw closer to April 13, 2014, you and other members will decide whether to have more activities to commemorate our 100 years.

Typically, the Labor History Committee works on the project in the basement of the Local Union Hall on Mondays between the hours of 10:00 a.m. and 2:00 p.m. The Committee can be reached via email at: laborhistory@ibewlocal58.org, or by phone at 313.963.3116.

Updates and notes of appreciation will be posted in the Building Tradesman and on the Local's website.
