Our workers' rights lawyers have a long history of representing labor unions in court and before the National Labor Relations Board (NRLB), as well as state labor boards.

Miller Cohen, P.L.C. is one of the largest workers' compensation firms in Michigan. Our lawyers possess extensive experience helping injured employees secure [workers' compensation](#) and [Social Security Disability](#) benefits. We also represent workers in [employment and labor law](#) issues.

You Don't Have To Stand Alone

Regardless of the expense a large company or insurance company devotes to a case, they are not above the law. At Miller Cohen, P.L.C., we understand the law and regulations and how they apply to your case. Our attorneys are not intimidated by large companies or government agencies. We work to uncover wrongdoing, such as illegal [discrimination](#) or harassment in the workplace, and structure a case to hold offending parties accountable.

Contact Miller Cohen, P.L.C. Today

Our experienced [lawyers](#) have the skill and knowledge of the court system needed to effectively negotiate or litigate your case. Because we take cases on a contingent fee basis, there is no need to worry about the expense of taking on a large company.
